**Subject:** PRIA4 Discussion

As a follow-up to conversations that many of us have been having on PRIA4, EPA would like to convene a meeting with all of you to continue the discussions. From EPA's standpoint, we want to ensure everyone is hearing the same things from OPP. I'm told that next Wednesday (6/7) from 2pm to 4pm works for everyone. We will meet at EPA's facility in Arlington, VA (2777 Crystal Drive). I will send out a separate calendar invite, but please also confirm with Shannon Jewell (cc'd above) who will help facilitate entry into our building.

We are looking forward to continuing the dialogue and finding
